

Brine Leas School Assessment Records 2021 - 2022

These Assessment Records show which evidence is used in the determination of Progress Judgements (abbreviated on the documents to 'DC' for 'data collections'). Progress Judgements are published 3 times per academic year, as part of our Progress Reports. Progress Indicators (e.g. *making expected progress*) are used for Y7, Y8 and term 1 of Y9; Predicted Grades are used for term 2 of Y9 onwards.

Where appropriate, the source of the assessment and / or the mark scheme is also included. If you have any queries on these Assessment Records, please contact the relevant subject teacher for your child.
