A2 RESULTS – THURSDAY, 16th AUGUST 2018

1. You will be able to collect your results from 8.30am on the morning of Thursday, 16th August. Any results which have not been collected by 1pm will be posted home.
2. If you are unable to collect results yourself, you have two options. You can ring the BL6 on 621612 between 8.30am and 12 noon or you can authorise someone else to collect your results. **Authorisation forms for both options are available on the website.** If you are telephoning for your results you must hand the authorisation into BL6 before the end of term. If someone is collecting results for you they must have the signed authorisation to collect the results.

N.B. There will be staff available to assist you in the event that you have not gained the grades required by your Higher Education establishment. Should this be the case, it is important that you stay calm. Staff will be available to assist you in contacting Higher Education establishments at the earliest opportunity to confirm your place.

This information can also be found on the school website.
