

PSHE home learning instructions

You will find the PSHE lesson through the school portal, under home learning, year group, PSHE. Below is the date students should complete the lesson, they should spend approximately 1 hour working through the lesson on the date given.

In addition, under PSHE you will find the following PowerPoint presentations, these are to help with home learning and giving students something else to do. They have a number numerous different activities for students.

30 day challenge – gives students 1 challenge per day to complete, it can to do with keeping busy/doing something different/coping strategies with the new arrangements etc.

The Day – This gives you the details to log on to the website of “The Day”, that has challenging articles on for all subjects/topics ranging from coronavirus to modern day politics.

British Red Cross - This gives you the details to log on to their website and complete some activities based on current events.
