

GCSE Maths – Year 10z4 (This is a working document, it will be updated every few weeks)

To ensure you do not start Year 11 with gaps in your knowledge (and a lot of work to catch-up!); you should learn the topics below.

Hegarty Maths tasks

Complete these in your class book (in the same way you are used to setting out your homework):

- Write the Title and Clip Number
- Copy the Keywords
- Copy each Example from the Video
- Complete the Quiz in your book, this includes showing clear working
- Mark your answers and write their final percentage

Booklets / worksheets

These are located in the Brine Leas Shared Area:

> Students > Read Only > Home Learning > Year 10 > Maths > Set 4 folder

The solutions for each booklet/worksheet will appear in the folder within a few days of the deadline.

Topic	Tasks	Deadline	Completed
Ratio	Hegarty Maths 329 – 334 Extension task 335	22 May	
	04 Ratio Complete 2 Fix Up 5's Complete 2 Memri Tasks	Half term homework	
Proportion	Hegarty Maths 339 - 342	5 June	
	05 Proportion – Recipes worksheet 06 Proportion Unitary method Worksheet Complete 2 Memri Tasks	12 June	

The 'Fix Up 5' and 'MemRi' tasks are also excellent for reviewing previously taught topics.

Any queries please email your maths teacher Heather.king@brineleas.co.uk
Jenny.donald@brineleas.co.uk

Exam paper practice (interactive) www.methodmaths.com

Interactive exam papers, which automatically save progress. The student can work through the unlocked papers, look for  this symbol

(The board and tier can be selected in the top right corner.)

All students have used the website before, the login details are:

- Centre ID: brine
- Username: 21ForeSURN (the *usual* school username, but be careful with the capitals) Password: Square
