

Instructions for 'Law at Home'

Year 12

- Year 12 Law lessons are going to be delivered on YouTube via the channel TimmyMac Law & Politics.
- The channel can found here:
<https://www.youtube.com/channel/UCNwMtR17yNIsxJPB9790Efg>
- I uploaded a 15 second test video a couple of years ago titled 'Green Beetle Timmy Mac'. Give it a watch to check your picture and audio are ok and then go straight for the video lessons.
- The video lessons will be uploaded in the order that they should be viewed although you can always go back and re-watch videos if you need to.
- Your written work should reflect the order of the videos and should be filed in your folders in the same logical order. Each video will require you to complete some written work and, upon our eventual return to BL6, I will be checking that it has been completed.
- All handouts can be accessed via the 'Home Learning' portal and will correspond with the title of each video.
- I hope to upload enough content so that you are given work that is equivalent to your usual lesson time i.e. 9 hours plus homework.
- I hope you find the videos useful. Any problems, queries or questions, please send me an email.

Mr MacLellan
