

Home School Agreement

Believe, learn, succeed

Effective partnership between parents/carers, students and the school is essential in ensuring the children who attend Brine Leas School achieve their best outcomes. Therefore, we ask students and parents to read, support and meet the expectations within the home school agreement to ensure we can achieve the highest standards for our students, which will enable them to thrive, be safe and achieve their best.

Can I ask you all to please read our revised Brine Leas Home School Agreement for September 2021

[Home School Agreement - BLS](#)

In summary

We agree to provide a safe and caring environment where we support all students to reach their potential, promote the highest standards. We will communicate with parents and carers over any concerns we have regarding the students who attend the school, provide feedback and offer all parents the opportunity to get involved in school life.

We ask parents to help us maintain the highest standards, accept the schools values, policies and aims. To ensure their children attend well, with the correct school uniform, equipment and communicate any concerns they have with us. To support their child by encouraging them to complete homework and read and act upon school communications and maintain engagement with the school.

We ask all students to arrive to school on time, meet our expectations for behaviour and uniform and equipment. To complete classwork and homework and try their best. To raise any concerns they have with an adult in school. Treat all members of the school community with respect and take care of the environment.
