Dear Parents/Guardians

Re: MFL Department – German Language Session with Bentley Motors

An exciting opportunity has arisen for Key Stage 3 students taking German to experience a 'German Language Session' with Bentley Motors. They will then be involved in a project to design a, 'Customer Visit to the Bentley Factory'. This will enable students to gain a greater understanding of German in the workplace and learn about the Bentley brand, and will develop teamwork and presentation skills.

The activity will take place at Brine Leas in the Languages department on Wednesday 25th January 2017, from approximately 1.35pm – 3.35pm. The workshop is free of charge; however numbers are strictly limited and places will be allocated on a first come-first served basis. Any students who are interested need to return the reply slip below to Miss Bates or their MFL teacher as soon as possible.

Please note that this event is only open to students taking German and it will not take place unless there is sufficient interest.

If you would like your child to take part in this workshop please complete the permission slip below and return it to me no later than Friday 16th December 2016.

Yours faithfully

Miss A Bates
