Dear Parent/Guardian

Re: Medicine Careers Day

I am writing to inform you that your child has secured a place on the Keele University Medicine Careers Day taking place on Wednesday 8th March 2017 by applying directly to the university with a payment of £25.

This is an excellent opportunity for students to learn more about Medicine as a profession, applying for medicine, and to take part in some hands-on workshops! For more information, please look at the website.

School will be accompanying students on the day. We will leave at approx. 9am, and will return by 5pm. We will be travelling by mini-bus or taxi, depending on numbers. School are covering the cost of transport for the day, so there is no additional cost. Students can dress casually. They should also bring writing materials, a bottle of water and a snack if they like. Lunch will be provided by the venue.

As we will be arriving back after the end of the school day please can you make arrangements for your child to be collected at 5pm or alternatively you can give them permission to make their own way home by completing the section on the permission slip attached.

I would also like to take this opportunity to make you aware that we have two lunch time follow up sessions in school with Dr Pugh. He will be answering questions generated by the day and talking about current issues in the NHS, among other things. The first of these follow up sessions is on Friday March 10th 2017 and will take place in BL6 Seminar Room 8 at 12.30. Your child is required to attend these sessions as they will be both interesting and beneficial.
