Re: Year 10 Mathematics Revision Resources

Dear Parent / Guardian

As the Year 10 exams take place in June, it is important that your child has a good set of revision resources and the Mathematics Department would like to recommend the following:

Maths Watch VLE

The school subscription gives each student access to the Maths Watch VLE, which can be used via the website www.vle.mathswatch.co.uk on a computer, smart phone or tablet. Their user details are in the format:

Username: 18ForeSurn@brineleas, e.g, for Joseph Mathers, this would be 18JoseMath@brineleas

Password: circle

From here your child will be able to watch video tutorials, practise interactive questions and view/print worksheets for every GCSE topic. This is ideal for target development, reinforcing classwork, help with homework and revision. Furthermore, every student has been given a **revision list** with the specific topics that are on the Year 10 exam and also available on the Brine Leas VLE. Each topic has been referenced with the video clip number from the Maths Watch VLE, so students know exactly how to revise each topic.

Revision Guide & Workbook

Written for the Edexcel syllabus and available for both tiers at a cost of £5 (for both books). Your child's teacher will decide which tier of book is most suitable at this stage of the GCSE course.

Method Maths

This website is fantastic for brushing up on exam technique; each student has their own login to the website www.methodmaths.com, which enables them to work through interactive GCSE Maths papers. Their details follow this format:

My Maths

The school subscription gives free access to MyMaths; each student has their own username and password, available from their Maths teacher. It contains interactive lessons and assignments, great for reviewing topics and testing knowledge.

Revision Material – Mathematics – Mr C Lucas

If you would like your child to purchase any of the revision materials, please see the payment options detailed and return to school with the completed reply slip.

Cheques should be made payable to **Brine Leas School** and returned with the permission slip in an envelope to the Drop Box outside Student Reception.

Cash payments can be accepted when a cheque is not possible. Students must take cash payments direct to the Finance Office for a receipt to be provided.

If your child is currently eligible for Free School Meals / has in the past been on Free School Meals since 2009 / is currently or has been a Child in Service since January 2011 / is currently a Cared for Child or has ever been looked after by an English or Welsh local authority then the revision material will be paid for through the Pupil Premium Fund, please return the form attached with the Pupil Premium Payment option on the reply slip ticked. If your form is returned to school showing the Pupil Premium option and we don't appear to have your child on our Pupil Premium records we may need to contact you to clarify.

It is the policy of Brine Leas to support families when financial hardship may preclude a child from obtaining revision materials. Therefore please contact Mrs K Bradshaw, Business Manager to discuss in confidence should you require assistance.

If you have any enquiries please do not hesitate to contact me on the school number.

Finally, we wish your child every success in their upcoming exam, as well as their GCSE Mathematics next year.

Yours faithfully

Mr C Lucas
Assistant Head of Mathematics
CLS/SJ/AE/LDG
