Dear Parents / Guardians,

Re: GCSE French Revision Guide and Workbook

In our department we all feel that a revision guide and a workbook leading up to the final exams in May 2017 is really important.

The revision guide and the workbook that comes with it have been specifically designed by AQA, the exam board, and are essential for reading and listening practice as they come with a full range of practice questions, ranging from grade G-A*.

The Listening and the Reading exams make up 40% of the student's GCSE. They also cover all 9 necessary topics which the students are required to learn before the exam. The students therefore have full autonomy of which topics they want to work on and which skills they want to improve both in class and at home. There are supporting free audio files which can be accessed any time from any device and listened to as many times as necessary.

I have done some research on your behalf and these books can be purchased directly from the exam board:

or from Amazon:

<http://www.amazon.co.uk/Revise-AQA-French-Revision-REVISE/dp/1447941020>

Both websites offer the guides and workbooks at a very reasonable price of around £5 each, including delivery. We feel that they are invaluable to the exam success of your child.

Please feel free to obtain them any other way but ensure it is the Pearson AQA GCSE French guide and workbook.

Thank you for your continued support.

Yours faithfully,

Miss H. Sanderson
