

Brine Leas School

An Academy

Believe, Learn, Succeed

November 2016

Dear Parent/Guardian,

**Re: Science Controlled Assessment Intervention Day- Wednesday 14th
December 2016**

In Science the Controlled Assessment element is worth 25% of the Year 11 student's Additional Science GCSE. In order to make sure all students achieve a good grade in this aspect we have already completed two different Controlled Assessments in order to select the best grade for submission.

Unfortunately your child was either absent for one or both of these Controlled Assessments or has not achieved the minimum expected grade. Therefore we will be taking your child off timetable on Wednesday 14th December 2016 for the day to complete a final Controlled Assessment, it is therefore vital that they attend school that day.

The Controlled Assessment will take place in Room BF18 and they will require a black pen, ruler and calculator.

Yours faithfully,

Mrs E Parkes
Head of Science
EPS/SJ/PWD
