

Brine Leas School

An Academy

November 2016

Dear Parents/Guardians

Re: YEAR 10 ICT/COMPUTER SCIENCE STUDENTS

I wish to inform you that Year 10 ICT/Computer Science students have been given the opportunity to participate in the "Tech Innovation - Finding IT Solutions to Solve Real Life Problems" Competition, which is sponsored by Barclays.

The event, which takes place on Friday 9th December 2016, will be held at Barclays Technology Centre, Radbroke, Knutsford. We will leave Brine Leas at 8:30am, returning at approximately 3.45pm. Lunch is being provided, but it is important that you notify us of any special dietary requirements, to ensure all needs are catered for. The event, which will be streamed live via the internet, will also be recorded and photographs will be taken. Please state on the permission slip if you give permission for this. The webcast will be available if you would like a password to access the link, please indicate this on the permission slip below and we will provide the details nearer the time.

The cost of the visit will be £15.00 which will cover the cost of transport. Cheques should be made payable to Brine Leas School and returned with the permission slip in an envelope to the Drop Box outside Student Reception.

Cash payments can be accepted when a cheque is not possible. Students may take cash payments direct to the Finance Office and this will be receipted in the student's planner.

I have also enclosed a Form C (Parental Permission Form). Please complete the form detailing any relevant medical issue your child may suffer from and return it with the payment and permission slip below. Please note, without this form being completed your child will be unable to attend the visit.

If you would like your child to participate in this competition, please complete the permission slip attached and return together with payment and completed Form C to the Drop Box by Student Reception, by Tuesday 6th December 2016.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from attending a school visit, so if there are any problems, please contact Mrs K Bradshaw and the matter will be dealt with confidentially.

Yours faithfully,

Mr L McAlyn
