Dear Parent/Guardian,

Re: Year 11 Mathematics club

I am writing to inform you that we are now offering a Year 11 Mathematics club to provide pupils with the opportunity to work 1:1 with a Year 12/13 student in a quiet learning environment. The club will take place on a weekly basis on Thursday lunchtimes (12.30 – 1.30pm) commencing Thursday 24th November 2016 in Rooms BF02/BF04.

The club is available to support any pupils who may need further help with their Mathematics and it will give the pupils the opportunity to talk through any areas of Mathematics in which they have issues.

Lunch will be provided for the students and they will be given a reward card. Each student will also receive a merit for every session they attend. Prizes will be given out once the students reach a certain number of merits.

If you would like your child to take part in these sessions please can you complete the permission slip below and return it to the Drop Box by Student Reception or to Miss Peters.

We would really value your support, and if you require any further information, please do not hesitate to contact me.

Yours faithfully

Mr D Williamson
KS5 Mathematics Co-ordinator
