Re: Curriculum Week – Year 10

Dear Parents / Guardians

I am writing to inform you about an exciting project taking place at school week commencing Monday 24th October, 2016. Curriculum Week will be taking place from Monday – Friday during which time normal lessons do not take place. This is the school's opportunity to provide your child with the chance to experience learning in a different way.

As a Year 10 student your child will be doing a variety of activities including:

- A day with the PE Department
- Time with the English & Maths Department in preparation for mock exams
- Completing required practicals with the Science Department
- Option subject
- Time with MFL Department
- 1:1 meeting with Progress Tutor (see below)

On the Friday, all students and parents will have an allocated time to meet with their Progress Tutor. This is an opportunity for the students to identify where they currently are and how they can meet or exceed their targets. This will mean the Parents Evening taking place on the 10th May, 2017 will be purely for the subject teachers. For this day, students will need to be in for their time allocation and it is expected that they use the rest of the day at home to work on their option subjects. We are hoping that this will give students a real overview of where they are and what they need to do in order to deliver their 'personal best' in their GCSE's. It would be great if you can give your child a rough idea of a time that you can make, (eg 10am to 11am or 3pm till 4pm), and we will do our best to meet your request.

Some of the student's assessments will be done this week which goes towards their GCSE's so it is vital that they are present and eager to do their best.

Your child will be fully briefed on the needs and expectations of the week by each of the departments involved prior to the start of the week and a full timetable will be available for your viewing on the school website.

Many thanks in advance for your support with this project and please contact the school if you have any questions in the meantime.

Yours faithfully

Headteacher
Mrs A Beecher
