Re: Science Revision Resources for Year 10

Dear Parent / Guardian,

As you are already aware, the new Science 9 – 1 curriculum is now being taught within school to all Year 10 students. With this in mind I am writing to advise you of the CGP Revision Guide that is available to purchase from the Science Department at a reduced cost of £6.00

As the revision guide covers all aspects of the Science 9 – 1 curriculum I would strongly recommend that you purchase a copy for your child as this would allow them the opportunity to work through the booklet as a back up to what they have been taught within their science lessons.

There is also an option to purchase additional exam practice workbooks and answer packs for the combined science course. Please see the table below for the resources suitable for your child dependent on their science group.

Science Group	Resources Available	Cost
10yz/sb1 and 10yz/sb2 (triple science)	Biology Complete Revision Guide with Exam Practice Chemistry Complete Revision Guide with Exam Practice Physics Complete Revision Guide with Exam Practice	£6 £6 £6

If you would like to purchase a revision guide and any of the other resources please complete the attached order form and ask your child to take it to **Science Room BGO2** during **morning break**. The revision guides will be available **from Monday 7th November - Friday 18th November, 2016**. *Please ensure your child has the completed order form attached and the payment with them to obtain the required books.*

Due to the varied choice of books available it is important the students are clear which books they would like to purchase, advice and guidance will be given by their subject teacher and the books will be issued to the students when they return the order form and payment.

If demand for the books continues after the designated sale weeks an extension may be arranged with additional times issued of when to obtain the books.

Cheques should be made payable to **Brine Leas School**

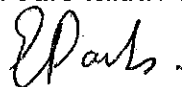

Cash payments can be accepted when a cheque is not possible; a receipt will be provided in the student's planner.

If your child is currently eligible for Free School Meals/has in the past been on Free School Meals since 2009 / is currently or has been a Child in Service since January 2011 / is currently a Cared for Child or has ever been looked after by an English or Welsh local authority immediately before being adopted, left local authority care on a special guardianship or child arrangements order, then the revision guide(s) will be paid for through the Pupil Premium Fund, please return the form attached with the Pupil Premium Payment option on the reply slip ticked. If your form is returned to school showing the Pupil Premium option and we don't appear to have your child on our Pupil Premium records we may need to contact you to clarify.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from obtaining revision materials, therefore if you would like to request any assistance, please contact Mrs K Bradshaw and the matter will be dealt with confidentially

If you require any further information regarding this matter, please do not hesitate to contact me on the school number.
