Re: Year 11 Science Revision Resources

Dear Parent / Guardian,

As the Year 11 mock exams commence on Monday 28th November, 2016 I am writing to inform you that the CGP AQA Additional Science Revision Guide is now available to buy at a reduced cost of £3.00 and I highly recommend that you purchase a copy for your child.

If you would like a copy of the revision guide, please complete the order form attached and return it to school no later than Friday 28th October, 2016.

Cheques should be made payable to Brine Leas School and returned with the permission slip in an envelope to the Drop Box outside Student Reception.

Cash payments can be accepted when a cheque is not possible. Students must take cash payments direct to the Finance Office for a receipt to be provided.

If your child is currently eligible for Free School Meals/has in the past been on Free School Meals since 2009 / is currently or has been a Child in Service since January 2011 / is currently a Cared for Child or has ever been looked after by an English or Welsh local authority immediately before being adopted, left local authority care on a special guardianship or child arrangements order, then the revision guide will be paid for through the Pupil Premium Fund, please return the form attached with the Pupil Premium Payment option on the reply slip ticked. If your form is returned to school showing the Pupil Premium option and we don't appear to have your child on our Pupil Premium records we may need to contact you to clarify.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from receiving revision material, therefore if you would like to request any assistance, please contact Mrs K Bradshaw and the matter will be dealt with confidentially

As the exams approach, I would also ask that you encourage your child to use our online science revision software which is 'Doddle', 'Kerboodle' and also the GCSE Bitesize package which all provide excellent resources, video clips and also quizzes to help with revision. *Your child will be issued with their password and login details.*

If you require any further information regarding this matter, please do not hesitate to contact me on the school number.

Yours faithfully

Mrs E Parkes
Head of Science
