TO: AS APPLIED MATHEMATICS STUDENTS

Dear Parent/Guardian

AS MATHEMATICS – EXAMINATION REVISION PACK

In order to support on-going revision, it is recommended that mathematics students purchase, from BL6, an examination revision pack containing past examination papers and grade boundaries on their Core Mathematics modules and their chosen applied module, ranging from the examination periods January 2008 to June 2013. Mark schemes for these examinations will be emailed out to students. These examination papers, along with mark schemes, can be downloaded from the Edexcel website, but it is important that all students have the necessary examination papers printed and arranged as they will be necessary materials in mathematics lessons, in preparation for their AS examinations. The examination packs will cost £5 for 12 past papers for each of Core Mathematics 1, Core Mathematics 2 and their chosen applied module. Please indicate chosen module on the reply slip below.

AS MATHEMATICS – REVISION GUIDE & REVISION WORKBOOK

We also have Revision Guides and Revision Workbooks available for students studying AS Applied Mathematics to purchase at a subsidised cost of £8.00 each. It is recommended that students purchase both books, as they will help organise revision, speed up revision with summary notes, track revision progress, check understanding with worked examples and help to develop examination techniques with examination style practise questions and answers.

Should your son/daughter wish to purchase these packs, please complete and return the slip below, together with payment, to the Drop Box outside the BL6 Admin Office. Once payment is received, the books will be distributed by subject teachers. If your son/daughter has applied for the BL6 Bursary, the cost may be deducted from the Bursary Fund; please indicate this on the reply slip.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from purchasing necessary resources, so if there are any problems, please contact Mrs K Bradshaw and the matter will be dealt with confidentially.

Yours faithfully

Mr D Williamson
