## Re: School Uniform

Dear Parent / Guardian,

At Brine Leas School we pride ourselves on the highest standards in all aspect of school life. We believe that students should adopt this approach in their work, motivation and presentation.

As the end of year is approaching, it has come to my attention that a few students are not wearing the correct uniform. As a school, we fully understand the difficulties of students 'growing rapidly' and the cost involved, but I must insist that all students maintain Brine Leas School's high standards as we feel it can have a knock on affect across the entire school.

As mentioned in a previous letter, our Uniform Policy has recently been updated and a copy can be found on the school website. The new policy will commence from 1<sup>st</sup> September 2016, therefore if your child does not have the correct uniform they will be expected to rectify it immediately. If their uniform cannot be corrected, students *may* be placed into Internal Exclusion. Your child will also have their Uniform Card signed

*It is the policy of Brine Leas to support families when financial hardship may preclude a student from having the correct school uniform, therefore if you would like to request any assistance, please contact Mrs K Bradshaw and the matter will be dealt with confidentially.*

If you require any further information regarding this matter, please do not hesitate to contact me on the school number.

Thanking you in advance for your on-going support and cooperation.

Yours faithfully,

Mr R Oakes
