Re: Big Bang North West

Dear Parent / Guardian

As your child has chosen to take Triple Science next year, I am writing to invite them to the Big Bang North West at the Liverpool Exhibition Centre on Tuesday 10th July 2018. Students will enjoy seeing demonstrations that they would not experience in school, and we hope that these will encourage them to pursue STEM subjects in later years and may lead them into careers in these areas.

We will be leaving school at 10.30am and should arrive in Liverpool by 12pm, which will allow us enough time to have lunch before the afternoon session begins at 12.30pm. Students should bring a packed lunch, however if your child is currently eligible for Free School Meals, a packed lunch can be provided by the school canteen. If you would like your child to receive a packed lunch please confirm on the permission slip attached. Please note there is no charge for this event.

We will leave Liverpool at 3pm and so we hope to be back at school before 4.30pm (depending on traffic). Please make arrangements to collect your child if they would normally take one of the school buses home. Students should wear their school uniform.

If you would like your child to take part in this visit please complete the permission slip attached. I have also enclosed a Form C (Parental Permission Form). Please complete the form detailing any relevant medical issues your child may suffer from and return it with the payment and permission slip below. Please note, without this form being completed your child will be unable to attend the visit. Place the permission slip and completed Form C in an envelope marked 'Big Bang' and place it in the Drop Box outside Student Reception no later than Friday 29th June 2018.

If you require more information about the event can be found at http://nearme.thebigbangfair.co.uk/view/?eve_id=1845

If you have any queries regarding this, please do not hesitate to contact me on the school number.

Yours faithfully

Mrs E Parkes
