

Brine Leas Sixth Form

An Academy

Believe, Learn, Succeed

5th June 2018

To: Parents/Guardians of Year 12 Science Students

Dear Parent/Guardian

We are introducing pre-printed laboratory books for A-Level Sciences, which will better prepare students for the practical requirements of the course that are heavily examined. Students will also be able to have more ownership over tracking their own progress towards meeting the assessment criteria for the Practical Endorsement, which is a requirement of all A-Level science courses. The books will also become a valuable revision resource for students.

The books are priced at £2.50 per subject. Please indicate below which book(s) your son/daughter would like to purchase and return the slip below, together with payment by Monday 11th June 2018. Cheques should be made payable to Brine Leas School and returned to the BL6 Drop Box, which is located outside the BL6 Admin Office; cash payments can be accepted when a cheque is not possible. Students must take cash payments direct to the Finance Office, for receipting purposes. If your son/daughter is in receipt of the BL6 Bursary, the cost may be deducted from their next instalment; please indicate this on the reply slip.

Upon receipt of payment, the book(s) will be available for collection from the BL6 Science Prep Room. Please note, the books will be required during this half term as we commence the Required Practicals for Year 13.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from purchasing resources. Therefore, if there are any problems, please contact Mrs K Bradshaw and the matter will be dealt with confidentially.

Yours faithfully

Mrs E Fenech
