Re: Substance Misuse Awareness Clinics

Dear Parent / Carer,

As part of the Pastoral Team at Brine Leas School we work closely with a number of external agencies, local charities and organisations that offer professional and non-judgemental support to our students and families.

One of these agencies is the Cheshire and Wirral Partnership. During April, they are holding a number of seminars within the Crewe area, offering information and confidential advice around alcohol and drugs.

If you have any concerns regarding alcohol or drugs or would simply like to speak with someone for confidential advice, the dates, times and locations of each seminar are as follows:

- **4th April, 2018 at Wishing Well, Crewe – 1pm – 2.30pm**
- **18th April, 2018 at Belong, Crewe – 1pm – 2.30pm**

The seminars are very informal and are aimed at young people, parents, carers and other professionals in order to gain a greater awareness and understanding of how to support this issue. There is no requirement to book an appointment.

Yours faithfully
