Re: Promoting Multilingualism Project

Dear Parent/Guardian

The Modern Languages department is running a project to both encourage and celebrate those students with knowledge of languages other than English.

As part of this project, the Modern Languages department would like to invite your son/ daughter to be a Language Ambassador at BLS. This role would include taking part in a year-long project, focusing on the benefits of speaking another language.

One of the project tasks will include creating a video presentation to be shown during Open Days, in which students talk about the positive aspects of being multilingual in a non-English language. Amongst other tasks, students will also take part in and deliver sessions to each other, sharing their experiences of another culture. This will include calligraphy workshops and experiences of another education system as well as discussions of students' favourite books, films and food to further explore their languages and cultures.

If you would like your child to take part in this project please could you complete the permission slip below and return it, via your child, to the Drop Box by Student Reception as soon as possible.

Yours faithfully

Miss H Sanderson
Teacher of French and Spanish
HSN/HR/ACE
