To help support their learning we strongly recommend you buy a **CGP revision guide** (highlighted in bold), which you can order through school at a reduced cost by completing the attached slip. There is also an option to purchase additional exam practice workbooks and answer packs for the combined science course. Please see the table below for the resources suitable for your child dependent on their Science group. If you would like to purchase any of the guides please complete the reply slip and return to school **no later than Thursday 12<sup>th</sup> October 2017**.

If your child is currently eligible for Free School Meals / has in the past been on Free School Meals since 2011 / is currently a Child in Service since January 2011/ is currently a Cared for Child or has ever been looked after by an English or Welsh local authority then the guide(s) will be paid for by the Pupil Premium Fund. Please return the permission slip below with the Pupil Premium assistance application ticked. If your form is returned to school showing the Pupil Premium option and we don't appear to have your child on our Pupil Premium records we may need to contact you to clarify
