

Brine Leas Sixth Form

An Academy

Believe, Learn, Succeed

September 2017

To: Year 12 Mathematics Students

Dear Parent/Guardian

Please find below details of the resources Year 12 Mathematics students need to purchase in order to support their studies.

Students can, for £10, purchase an online copy of all textbooks required for the new specification A Level Mathematics course, which will be valid for the duration of the 2 year course.

If students wish to purchase hard copy textbooks, we would advise they do so independently; these retail at approximately £20 each. Please refer to the Year 12 booklist for further information.

Should your son/daughter wish to purchase a digital subscription, please complete the reply slip below and return as soon as possible. Cheques should be made payable to Brine Leas School and returned to the BL6 Drop Box, which is located outside the BL6 Admin Office; cash payments can be accepted when a cheque is not possible. Students must take cash payments direct to the Finance Office, for receipting purposes. If your son/daughter has applied for the BL6 Bursary, the cost may be paid from the Bursary Fund; please indicate this on the reply slip.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from purchasing necessary resources. Therefore, if there are any problems, please contact Mrs K Bradshaw and the matter will be dealt with confidentially.

Yours faithfully

Mr D Williamson
