### Helping your child with revision

It is important that all students revise for their exams, there are many ways in which you as parents/guardians can help them:

1. Encourage your child to use the following websites:  
[www.pearsonactivelearn.com](http://www.pearsonactivelearn.com) - access details are attached.  
[www.bbcbitessize.co.uk](http://www.bbcbitessize.co.uk) - KS3 section for Science
2. Encourage them to use Science Revision guides.
3. Encourage your child to create a revision timetable to organise their time effectively.
4. Promote their understanding through revision of key words, definitions and concepts using progression checks, summary and word sheets. These sheets are available on 'My Child at School'.
