

Brine Leas Sixth Form

An Academy

Believe, Learn, Succeed

18th October 2019

Dear Parent/Guardian/Carer

The Science Department are organising a visit to Salford University on Friday 22nd November 2019, for students to attend the Biology in Action event.

The event includes five interactive and engaging sessions delivered by renowned scientists and communicators which will inspire and motivate our students. A special session with hints and tips for revision and examination success will also provide students with the tools to succeed.

The cost of the visit is £25.20 per ticket and students should make their own way to and from the venue, where I will meet them prior to the start of the event. If your child wishes to attend, please make payment via Wisepay, the online payment system, by Monday 4th November 2019. Wisepay is accessed via the link on the school website; please contact finance@brineleas.co.uk if you do not have your login details.

Please also ensure you complete the online Form C, which is accessed via the link detailed in the covering email, as without this, students will be unable to attend the visit.

If your child has applied for the BL6 Bursary, the cost may be deducted from their first instalment; please tick the relevant box on the Wisepay system.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from attending a school visit. Therefore, if there are any problems, please contact Mrs K Bradshaw and the matter will be dealt with confidentially.

Yours faithfully

Mrs A Jones
Science Department

Head of Sixth Form:
Miss C Lewis

Headteacher:
Mr David Cole
