Dear Parent/Guardian of BL6 Art students

We are working with The Royal Academy Outreach Program to give our students the opportunity to take part in a life drawing workshop and discover the important role that drawing can play in developing creativity. I would therefore like to invite your child to attend a one day drawing workshop at Brine Leas under the direction of The Royal Academy. Working with a life model is invaluable at this stage in the students' artistic development and I hope the experience will develop their technical ability and develop their creative thinking. Students will produce a portfolio of exploratory drawings in a range of media and scales; such work is often a selling point in portfolios for university interviews. Please be aware that the students will be observing a nude model.

The workshop will take place on Friday 4th October 2019 at Brine Leas from 9:15am until 3:30pm. Students should register as normal and then meet in the studio space (location to be confirmed).

If your child would like to participate in this workshop, we would request a payment of £20 for this optional extra. Contributions should be made by logging onto Wisepay, the online payment system. This is accessed through the link on the school website; please contact finance@brineleas.co.uk if you do not have your login details. If your child has applied for the BL6 Bursary, the cost may be deducted from their first Bursary instalment; please indicate this on the Wisepay system.

All materials will be provided, however students may want to wear old, comfortable clothes to work on the floor and with charcoal.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from participating in any event. Therefore, if there are any problems, please contact Mrs K Bradshaw and the matter will be dealt with confidentially.

Yours faithfully

Mrs V Robinson
Art Department
