Re: A level Mathematics Resources

Dear Parent/Guardian

The Mathematics Department have materials available for students to purchase for their coursework and independent studies at home.

All students will require a GCE Formula Book (£0.50) and students will have an option to purchase an examination pack of past papers with mark schemes (£5), which will be hugely beneficial during independent study.

Year 13 students who are taking STEP are required to purchase the STEP 1 preparation booklet (£3.50).

If you would like to purchase these resources, please make payment by logging onto Wisepay, the online payment system, which is accessed through the link on the school website; please contact finance@brineleas.co.uk if you do not have your login details. If your child has applied for the BL6 Bursary, the cost may be deducted from their first Bursary instalment; please indicate this on the Wisepay system.

It is the policy of Brine Leas to support families when financial hardship may preclude a student from purchasing resources. Therefore, if there are any problems, please contact Mrs K Bradshaw and the matter will be dealt with confidentially.

The Mathematics Department will distribute orders during lessons. Should you wish to buy any other mathematics resources, please refer to the list which is available on MyChildAtSchool.

Yours faithfully

Mr D Williamson
KS5 Coordinator Mathematics

Head of Sixth Form:
Miss C Lewis
