Year 12 Residential Visit & Year 11 Information Evening (2)

Dear Parent/Carer,

We are pleased and excited to announce the inaugural Year 12 residential visit which will take place at The Lakeside Centre on the shores of Windermere lake, Cumbria from Monday 26th September to Wednesday 28th September 2022. The residential is a new aspect of the school's transition programme for students joining our sixth form in 2022. It will be an essential part of our transition process as students will enjoy three days dedicated to fostering relationships and community spirit within the sixth form. The trip is a fantastic opportunity for all students to immerse themselves in what will be a challenging, rewarding and entertaining trip in the wonderful surroundings of Windermere lake.

We have chosen The Lakeside Centre in Newby Bridge for this visit. Whilst the centre is very well established, the accommodation that Brine Leas will occupy is in the new Stroller Campus. As a school, we have frequented the Lakeside Centre with previous residential visits for several years.

Students will be partaking in a bespoke programme which has been tailored to their three-day residential. There will be three activities throughout the day, such as: kayaking & canoeing, fell-walking, rock climbing, assault courses and various team building activities. The structure and nature of the residential will allow students to forge strong working relationships with both their peers and teachers and will set them up for a successful two years at our sixth form.

The virtual Year 11 Information Evening (2) will be available to watch from Thursday 3rd February 2022 via the Brine Leas website, which will provide more information regarding the visit. The virtual evening will have the following agenda items:
