

Brine Leas House System

The House system is an integral part of our pastoral structure and our students and staff are passionate about their House. Being part of Audley, Lovell or Warwick is like being part of a mini school. Our House system facilitates life-long friendships, healthy competition, leadership, participation and belonging. Each student is a member of one of three Houses: Audley, Warwick and Lovell; depending on which tutor group they are in. This system helps them to develop relationships across all age groups throughout the school. The House system supports the extra-curricular programme and creates many opportunities for students to participate in school life as they take part in house competitions and events.

The House system has many competitions to suit everyone whether you're creative, sporty, love reading or just want to meet friends and have fun.
