## Malpractice Policy (Exams)

The Centre will follow in full JCQ's Suspected Malpractice Policies and Procedures (SMPP)

### What is malpractice and maladministration?

'Malpractice' and 'maladministration' are related concepts, the common theme of which is that they involve a failure to follow the rules of an examination or assessment. This policy and procedure uses the word 'malpractice' to cover both 'malpractice' and 'maladministration' and it means any act, default or practice which is a:

- breach of the Regulations
- breach of awarding body requirements regarding how a qualification should be delivered
- failure to follow established procedures in relation to a qualification

which:

- gives rise to prejudice to candidates
- compromises public confidence in qualifications
- compromises, attempts to compromise or may compromise the process of assessment, the integrity of any qualification or the validity of a result or certificate
- damages the authority, reputation or credibility of any awarding body or centre

### Candidate malpractice

'Candidate malpractice' means malpractice by a candidate in connection with any examination or assessment, including the preparation and authentication of any controlled assessments, coursework or non-examination assessments, the presentation of any practical work, the compilation of portfolios of assessment evidence and the writing of any examination paper. (SMPP 2)

### Centre staff malpractice

'Centre staff malpractice' means malpractice committed by:

- a member of staff, contractor (whether employed under a contract of employment or a contract for services) or a volunteer at a centre; or

- an individual appointed in another capacity by a centre such as an invigilator, a Communication Professional, a Language Modifier, a practical assistant, a prompter, a reader or a scribe (SMPP 2)

### **Suspected malpractice**

For the purposes of this document, suspected malpractice means all alleged or suspected incidents of malpractice. (SMPP 2)

### **Purpose of the policy**

To confirm Brine Leas School:

- has in place a written malpractice policy which covers all qualifications delivered by the centre and details how candidates are informed and advised to avoid committing malpractice in examinations/assessments, how suspected malpractice issues should be escalated within the centre and reported to the relevant awarding body (GR 5.3)

### **General principles**

In accordance with the regulations Brine Leas School will:

- Take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations have taken place (GR 5.11)
- Inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation (GR 5.11)
- As required by an awarding body, gather evidence of any instances of alleged or suspected malpractice (which includes maladministration) in accordance with the JCQ publication **Suspected Malpractice - Policies and Procedures** and provide such information and advice as the awarding body may reasonably require (JCQ General Regulations 5.11)

### **Preventing malpractice**

Brine Leas School has robust processes to prevent and identify malpractice, which includes but is not limited to:

#### **Preventing staff malpractice**

- Ensure that staff involved in the delivery of assessments and examinations understand the requirements for conducting these as specified in the JCQ documents and any further awarding body guidance.
- Ensure that staff involved in the delivery of assessments and examinations understand the key dates and deadlines and that there are robust procedures in place to ensure these are met.
- Ensure that examination officers are appropriately trained, resourced and supported.

- Ensure that exams at alternative sites are conducted in accordance with JCQ ICE requirements.
- Ensure that all staff who manage and implement special consideration and access arrangements are aware of the requirements and are appropriately supported and resourced.
- Ensure that members of staff do not communicate any confidential information about examinations and assessment materials, including via social media.
- Ensure that examination clash arrangements are planned and managed effectively.
- Ensure that staff delivering/assessing coursework or non-examination assessments have robust processes in place for identifying and reporting plagiarism or other potential candidate malpractice.
- Ensure that the centre has a culture of honesty and openness so that any concerns of potential malpractice can be escalated appropriately without fear of repercussion.

### **Preventing candidate malpractice**

- Ensure that all JCQ notices are distributed to candidates prior to assessments/examinations taking place.
- Ensure candidates are informed verbally and in writing about the required conditions under which the assessments are conducted, including warnings about the introduction of prohibited materials and devices into the assessments, and access to restricted resources.
- Ensure that candidates are aware of actions that constitute malpractice and the sanctions that can be imposed on those who commit malpractice.
- Ensure that candidates are aware of the sanctions of passing on or receiving (even if the information was not requested) confidential assessment materials. If a candidate receives confidential information, they must report it to a member of centre staff immediately.
- Ensure that candidates involved in examination clash arrangements are aware of appropriate behaviour during supervision, i.e. ensuring that candidates cannot pass on or receive information about the content of assessments, thereby committing candidate malpractice.
- Ensure that candidates completing coursework or non-examination assessments are aware of the need for the work to be their own

### **Escalating suspected malpractice issues**

- Once suspected malpractice is identified, any member of staff at the centre can report it to SLT Examinations (student malpractice) / Head of Centre (staff malpractice) (SMPP 4.3)

### **Reporting suspected malpractice to the awarding body**

- The Head of Centre will notify the appropriate awarding body immediately of all alleged, suspected or actual incidents of malpractice, using the appropriate forms, and will conduct any investigation and gathering of information in accordance with the

requirements of the JCQ publication **Suspected Malpractice: Policies and Procedures** (SMPP 4.1.3)

The Head of Centre will ensure that where a candidate who is a child/vulnerable adult is the subject of a malpractice investigation, the candidate's parent/carer/ appropriate adult is kept informed of the progress of the investigation (SMPP 4.1.3)

- Form JCQ/M1 will be used to notify an awarding body of an incident of candidate malpractice. Form JCQ/M2 will be used to notify an awarding body of an incident of suspected staff malpractice/maladministration (SMPP 4.4, 4.6)
- Malpractice by a candidate discovered in a controlled assessment, coursework or non-examination assessment component prior to the candidate signing the declaration of authentication need not be reported to the awarding body but will be dealt with in accordance with the centre's internal procedures. The only exception to this is where the awarding body's confidential assessment material has potentially been breached. The breach will be reported to the awarding body immediately (SMPP 4.5)
- If, in the view of the investigator, there is sufficient evidence to implicate an individual in malpractice, that individual (a candidate or a member of staff) will be informed of the rights of accused individuals (SMPP 5.33)
- Once the information gathering has concluded, the head of centre (or other appointed information-gatherer) will submit a written report summarising the information obtained and actions taken to the relevant awarding body, accompanied by the information obtained during the course of their enquiries (5.35)
- Form JCQ/M1 will be used when reporting candidate cases; for centre staff, form JCQ/M3 will be used (SMPP 5.37)

The awarding body will decide on the basis of the report, and any supporting documentation, whether there is evidence of malpractice and if any further investigation is required. The head of centre will be informed accordingly (SMPP 5.40)

### **Communicating malpractice decisions**

Once a decision has been made, it will be communicated in writing to the head of centre as soon as possible. The head of centre will communicate the decision to the individuals concerned and pass on details of any sanctions and action in cases where this is indicated. The head of centre will also inform the individuals if they have the right to appeal. (SMPP 11.1)

### **Appeals against decisions made in cases of malpractice**

Brine Leas School will:

- Provide the individual with information on the process and timeframe for submitting an appeal, where relevant

- Refer to further information and follow the process provided in the JCQ publication **A guide to the awarding bodies' appeals processes**
