Carriageway Structural Patching

What is happening

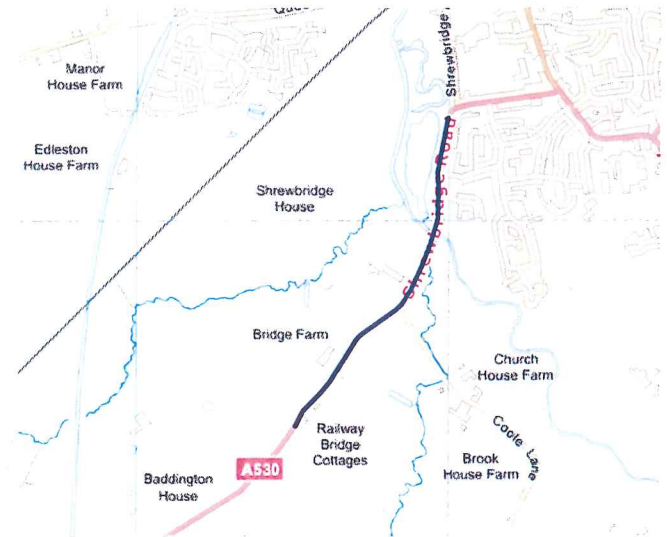

We are pleased to inform you that we will be carrying out carriageway resurfacing along the A530 Baddington Lane/Shrewbridge Road. The work will take approximately 4 days to complete, commencing from 16 December 2020.

We understand there is no right time to undertake this work however, the scheme has been carefully planned to minimise disruption to local residents, businesses and members of the travelling public.

When it's happening

The works are programmed to begin on Wednesday 16 December to Monday 21 December and will take place between the following times:

- 16 December to 18 December – 09:00 to 15:00
- 21 December - 09:00 to 16:30

Please note that occasionally the works have to be changed at short notice due to unforeseen circumstances such as adverse weather conditions or logistics.

Under current Health & Safety legislation and for the safety of our workforce and members of the public, **it will be necessary for a road closure to be in place during the works.**

What you can expect to see

- Signage mobilised on street in advance of the work starting
- Our team working on the carriageway
- Machinery and vehicles
- Barrièred areas to create safe working zones, in line with current Health & Safety legislation
- 'Business open as usual', 'Road Closed Ahead/Diversion' and 'Cyclist dismount' signs

Access to your property or business

We aim to minimise disruption to local residents and business owners whilst we deliver these improvements. We will make every effort to maintain vehicular access to your property or business however, it is inevitable that some inconvenience will occur and there may be periods of time when point of entry will vary. If you have any specific access requirements, please raise these with our on site supervisor at the earliest opportunity.

Your safety and the safety of our workforce is our primary concern. Therefore, Traffic Management Officers supplied with CCTV cameras will be present during the works to assist you as the site operations progress.

Keeping you informed

If you would like to talk to us about any aspects of the scheme as it progresses, our on site supervisor is your best point of contact. Alternatively, you can call us on 0300 123 5020.

Please be kind enough to refrain from parking in the road whilst the work is ongoing

Emergency vehicle access will be maintained at all times
