Our Price Promise

At National Schoolwear Centres we passionately believe that quality and service are the key ingredients to success in retailing school uniform. We do not advocate “disposable clothing” we believe that parents want quality and exceptionally good value. It is especially important that uniform lasts and does the job properly.

IMPORTANT INFORMATION

Due to COVID and the recent situation in the Suez Canal, there is a Global shipping disruption. This effects all imported goods including schoolwear. Whilst we have ordered enough stock for all our students, we would advise all parents to consider obtaining uniform earlier than normal should there be any delays with the goods arriving in the UK
