

Brine Leas School

An Academy

Believe • Learn • Succeed

October 2024

Thank you for your interest in the post of Teaching Assistant Learning and Support.

The governors, staff and students at Brine Leas School are seeking to appoint an enthusiastic individual who enjoys working within a team. In return, we can offer you a supportive and varied job in a pleasant educational setting.

Brine Leas School is an 11-18, mixed, comprehensive School located in the beautiful market town of Nantwich, in Cheshire.

The Special Educational Needs (SEN) area is led by the SENCO and Assistant SENCO; the faculty currently comprises of a Learning Support Team Leader, a Learning Enhancement Lead and nineteen Teaching Assistants with various learning support responsibilities.

The SEN Area successfully supports our students to achieve their best outcomes with a strong focus on teaching and learning in the classroom.

The current vacancy for a Teaching Assistant will enhance the support for our SEN students. You will have excellent interpersonal skills to support, challenge, motivate and inspire students; and you will have the ability to successfully work as part of a team and independently as required.

We are a popular and successful school with a strong commitment to a broad curriculum that meets the needs of all our students. We believe in giving students life changing and affirming opportunities within our extra-curricular provision. Most students stay with us for seven years and enjoy excellent destinations appropriate to their abilities. Many go onto the world's best universities, employers, and careers.

We have a talented, creative, and passionate team of staff who take every opportunity to cultivate an environment in which our students can succeed, ask questions and express their views. We actively encourage opportunities for students to think deeply about their work in order to make sense of the increasingly complicated world in which we live.
