Dear Candidate

The Cornovii Trust was formed in September 2022, following the merger of two local, small trusts. We will always be a local MAT and base our growth strategy around 'lunchtime rule' (ie. easy travel between sites). We currently consist of seven local schools, primary and secondary and much of our work is around supporting KS2-3 transition. Brine Leas School is a shining example within our trust, with strong values, fantastic young people, and caring, talented staff.

We see collaboration as a key driver for both school improvement and support for all stakeholders. This is reflected in our core trust principle of 'collaboration before competition'. You can find out much more information about The Cornovii Trust at www.thecornoviiitrust.org and Brine Leas School www.brineleas.co.uk

Yours sincerely
