

Enterprise Revision information

Board: Edexcel <https://qualifications.pearson.com/en/qualifications/btec-tech-awards/enterprise.html>

You should have:

- ✓ Knowledge Organisers for whole course
- ✓ Folder containing PowerPoints, worksheets and homework's
- ✓ Do Now booklet
- ✓ Practice Assessments
- ✓ Links to a variety of videos and other resources accessible via Teams in the revision section

You may have:

A revision guide or workbook that has been purchased. We would recommend the Revision Guide 2018 edition.

How can you revise for this subject?

1. Make sure you understand the set up of the assessment process and how you are assessed.
2. Use your knowledge organisers to ensure you know all the relevant terminology and practice the calculation formula.
3. Read past papers and the example answers to see what has been awarded marks and why.
4. Complete questions and get them marked (you will be given copies of past papers by your teacher to work through, however there are more available on the Edexcel Pearson website).
5. Complete the Do Now activities for additional calculation practice.
6. Work through your revision guide and workbook.
