

GCSE Mathematics (9-1)

The best way to revise maths is practice, practice, and practice some more. Below are the resources that we would recommend using. For personal areas to focus on, students should refer to their Feedback sheets (which are glued in their books).

Websites

www.sparxmaths.com – fantastic video tutorials and interactive quizzes

www.mathsgenie.co.uk – excellent video tutorials, exam questions, solutions

www.youtube.com/@TheGCSEMathsTutor – amazing exam revision videos

www.onmaths.com – interactive online papers, walkthrough videos, topic busters

www.methodmaths.com – brilliant source of online exam practice

Centre ID: brine

Username: Forename Surname (capitalised initials and no special characters)

Password: maths

www.corbettmaths.com – great revision cards, videos, worksheets, past papers

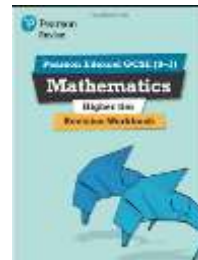

Revision Guides, Workbooks, Practice Papers, etc.

Most have the option of video solutions; these are highly recommended.

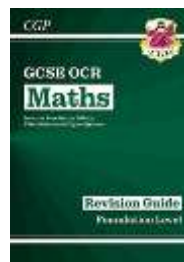

Higher Tier: Edexcel

Pearson Edexcel GCSE (9-1)
Higher tier

Foundation Tier: OCR

CGP OCR GCSE (9-1)
Foundation tier

Extra support

All Year 11 students are invited to attend support sessions, where they can get help with homework, use any of the websites listed above, bring a question or for anything else maths related. The support sessions are weekly in **BF04** on **Mondays 3.15-4.15pm** and **Wednesdays 12.30-1.10pm**.

In addition, during form time on Tuesdays, Year 11 students work through graded revision booklets. Once they complete a booklet they can move up to the next grade.
